

ETHIOPIA

Dumerso Site

Yirgacheffe | Natural | Org.

The Dumerso region, located in Ethiopia's renowned Yirgacheffe coffee-growing area, is celebrated for its exceptional coffee. Known for its high altitudes, fertile soil, and favorable climate, Dumerso produces beans with complex flavor profiles. Coffees from this region often feature vibrant acidity, floral and citrus notes, and a delicate sweetness, making them highly sought after in specialty markets. The region's coffee is typically grown on smallholder farms using traditional, eco-friendly cultivation methods, which contribute to its distinctive quality and sustainability. Dumerso's coffee reflects Ethiopia's rich coffee heritage and global reputation as the birthplace of coffee.
