

ETHIOPIA

Aricha WS

Yirgacheffe | Washed

This coffee comes from the Aricha Washing Station which is located in the Yirgacheffe region. This particular micro-region is at a very high altitude of 2.000 meters. Abi Cherab is the owner of the village-integrated washing station. It is one of the larger washing stations with a capacity of 300 drying beds. The water source for the washing station is the neighbouring river of the village, the Wegida River. The Aricha Washing Station has large recycling capacities to make sure that only clean water is released back to nature.
