& Catuaí
Processing Natural
Soil type Clay soil

GREEN GRADING

Moisture 10.8%
Odor clean
Colour green
Defects 0-8 defects
Screen Size 14/16

Fazenda São José was established in 1958 by Orostrato Olavo Silva Barbosa and has remained in the hands of the Barbosa family ever since. The family is deeply dedicated to sustainability and maintaining high-quality standards. Located in the Guaxupé region, one of the key areas for coffee cultivation, the farm benefits from the ideal conditions provided by the area's mild tropical climate and rolling hills, which are perfect for growing coffee.
