SUMATRA MANDHELING

Grade 1 | Organic

The Buana Mandiri Cooperative is known for its high-quality Arabica beans. Located in the fertile highlands of Sumatra, the cooperative supports smallholder farmers by providing them with resources and fair market access. Buana Mandiri focuses on sustainable farming practices and is committed to environmentally friendly methods. Through community collaboration, it promotes economic growth and social empowerment in the region. The coffee they produce is highly sought after for its rich, complex flavors, representing the unique terroir of Sumatra.
